

Literature - KS4

Overview

At the end of each unit of work, students will complete a response to a GCSE question. Students will have the opportunity to use their skills and knowledge acquired throughout the study of each unit to help in their response to a practice question. Students' work will be marked and graded following GCSE criteria, allowing an opportunity for reflection and improvement after each assessment.

At the end of Year 10, students will complete their first set of mock exams which will involve completion of both GCSE Literature Papers. In Year 11, students will complete one set of mock exams in February. These mock exams will allow students the opportunity to sit Literature papers. Such exams will be marked and graded according to GCSE criteria and grade boundaries as set out by the exam board (AQA) or (WJEC).

As well as mock examinations, students at Key Stage 4 will also have the opportunity to complete exam questions and past papers for homework.

External examinations for GCSE English Literature take place in May of Year 11 and GCSE English Language exams take place in June of Year 11.
